The Greater Northern Lehigh Chamber of Commerce is pleased to recognize Blue Mountain Vineyards & Cellars as the February 2016 Business of the Month. The Winery and vineyard is recognized for growing their own grapes with over 50 acres of vines in the New Tripoli.

At the vineyard you will find a wonderful variety of wines as well as any wine accessories that you may need. They are specifically known for their dry European style red wine and dry Riesling. Owners, Joe and Vickie Greff, planted the original vineyard of five acres and have continued to grow and expand their grape varieties to what it is today. Each bottle of wine is made with care from the planting and harvesting to the fermenting and bottling processes.

Blue Mountain Vineyards & Cellars is more than just a winery and vineyard! They open their doors and porch every Sunday from 2-5pm for live music and wine tastings, and they host a variety of special events throughout the year which can be found on their website. It is also the perfect location for private events, corporate events, celebrations, special occasions and more.

Blue Mountain Vineyards is one of the founding members of the Lehigh Valley Wine Trail and helped the Lehigh Valley gain recognition as an AVA area for wine. Be sure to check them out during *Vino in The Valley Passport Program* for the Lehigh Valley Wine Trail that begins in March Visit the Wine Trail's website for more details.
