Winter has once again brought plenty of challenges. But the first day of spring is right around the corner and The Chamber is ready to burst with a lineup of amazing events.

As always, The Chamber is focused on helping you connect with other businesses across the Greater Lehigh Valley to achieve personal success.

Of the many major events that The Chamber hosts each year, one of my favorites in the Commercial Real Estate Outlook. On Tuesday, April 21 The Chamber and The Frederick Group present The Lehigh Valley Commercial Real Estate Outlook and Awards "ON ICE" at PPL Center in Allentown.

Returning to the program are favorites like The Market Place Update, an overview of recent deals and statistics as well as an outlook in the Retail, Industrial and Office markets

And this year you get an overview of the tax districts and all their associated acronyms and you will hear about the exceptional environment for development here in the Lehigh Valley both inside and outside the tax zones in a segment we call Innies and Outies.

As is customary, we will also present the 2015 Commercial Real Estate Development (CRED) Awards which recognize the most innovative commercial real estate investments in the Valley.

Please mark your calendars and join me and more than 500 Lehigh Valley business leaders for this event. Remember, this is YOUR Chamber! The more you engage, the bigger the reward.

...While you're working on your calendar, please also make a note to stop by The Lehigh Valley B2B EXPO on Thursday, April 30 from 9 a.m. till 2 p.m. at The Sands Event Center. Admission is free and there is plenty of free parking and more than 100 exhibits!
