Breakfast with Air Products' Chairman, President and CEO Seifi Ghasemi

Air Products has been an extremely important member of our community for over 75 years. From its founding in 1940 by Lenard Pool, Air Products has been the Rock of Gibraltar in providing excellent employment opportunities to this region. Not only have they provided work, Air Products is second to none in their philanthropic efforts which are a cornerstone of funding to many Lehigh Valley nonprofit organizations.

In 2014, Seifi Ghasemi was named the company's Chairman, President and CEO. Under his leadership, Air Products has reached new levels of strength and profitability. The graph below illustrates the positive climb in Air Products stock value under Mr Ghasemi's leadership.

On Friday June 10th at 7:30A. you are invited to take part in an extraordinary conversation and breakfast with Mr. Ghasemi at Saucon Valley Country Club. He will outline the company's goals, strategy, and growth opportunities to deliver value around the globe and to become the safest and most profitable industrial gases company in the world.

We are confident that leaders of both large and small businesses will gain valuable insight from this rare and candid conversation. We look forward to seeing you there!

About the company: Air Products (NYSE:APD) is a world-leading Industrial Gases. The company's core Industrial Gases business provides atmospheric and process gases and related equipment to manufacturing markets, including refining and petrochemical, metals, electronics, and food and beverage. Air Products is also the world's leading supplier of liquefied natural gas process technology and equipment. The company's Materials Technologies business serves the semiconductor, polyurethanes, cleaning and coatings, and adhesives industries.

The company had fiscal 2015 sales of \$9.9 billion and was ranked number 284 on the Fortune 500 annual list of public companies. Approximately 20,000 employees in 50 countries strive to make Air Products the world's safest and best performing Industrial Gases company, providing sustainable offerings and excellent service to all customers.
