On behalf of the Easton Board of Directors and the Easton area membership, I'd like to extend a warm welcome to the newest addition to the Easton/Phillipsburg Chamber staff - Laurie Colvin. Laurie brings event and communications experience to The Chamber and we are excited to work with her on our upcoming chamber events and initiatives. Welcome, Laurie!

Speaking of events, please mark your calendar for our upcoming "State of the City" address with Easton Mayor Sal Panto, Jr. on March 19 at Lafayette College. It's been fascinating to witness the growth and impact of this event over the years. We now proudly host a sold-out event with business and community leaders from all over the Lehigh Valley representing various sectors of business. There's no denying the exciting developments taking place throughout our entire city, so join us to celebrate the past year's achievements and to discuss what the future holds for Easton. A special thanks to Mayor Panto, City Council, and the administration for their continued support and partnership with The Chamber. Today, perhaps more than ever, it's critical that the business community works closely with city leadership to enhance the economy and improve the quality of life in Easton. I encourage you to register today for the March 19th breakfast with Mayor Panto at Lafayette College. See you then!
