Letter from the Chair

As a long time member of the Hispanic Chamber of Commerce of the Lehigh Valley I have had the opportunity to work with many dedicated professionals and small business owners. Most recently as Chairperson I have had the privilege to lead a board that is dedicated and committed to the Hispanic Chamber guiding principles of Advocacy, Business Development and Community Evolvement. Over the years I have been impressed with the passion that our board members display towards the mission of The Chamber to advance the commercial, industrial and professional interests of all Hispanic Chamber members, Hispanic and Non Hispanic, and that of the Greater Lehigh Valley Community as a whole.

This year marks a new era for the Hispanic Chamber in which it is now a fully integrated Council of the Greater Lehigh Valley Chamber of Commerce. In coming board members will serve both organizations and continue the legacy that has been created.

It is my pleasure to announce four new recently elected members to the Hispanic Chamber board. These members include both private and non-for-profit sectors and have provided a great example of civic engagement as member's to the Hispanic Chamber's committees and community. These four new members include: Santia Pons, Principal of the Pons Agency, LLC; Tanya Ramirez, Tanya Ramirez Insurance Agency -State Farm Insurance; Luis A. Ortiz, Transamerica Agency Network, and Lorna Velazquez, Executive Director of the Hispanic Center Lehigh Valley. Please join me and welcoming our four newest board members. You are sure to see them and the balance of our board and members at the many events that we offer throughout the year.
