With the school year winding down, it's that time of year we recognize our outstanding seniors here at Northampton Area Senior High School through our NACC Scholarships.

This year's applicants proved to, yet again, be the most worthy, well educated, and talented group of students we've ever seen. A true testament to their commitment to succeed in today's world, making their mark both in the classroom and by giving of their time to experience "real world" situations through their volunteerism.

That said, on behalf of the Board of Directors of the NACC and all of our members, congratulations to our NACC Scholarship winners.

Our first scholarship award of \$300 goes to **Erika Veiszlemlien** of Bath. Along with her phenomenal GPA, Erica also has earned 1st place Awards in her FBLA and DECA activities, a multitude of Volunteer Awards, and is currently President of the Orchestra. She is also an accomplished piano player and violinist, performing at her Church and Nursing Homes. After graduation, she will be studying International Business and Supply Chain Management.

Our second scholarship of \$150 is awarded to **Evan Chuss**. Along with his FBLA, DECA and Debate Team success, he is also an Eagle Scout and active with the Lehigh Valley Iron Pigs. He will be studying Business Management at Drexel University.

... and our third scholarship of \$150 goes to **Nathaniel Treichler**, who will be attending Bloomsburg University for Accounting. As a National Honor Society member, Nathaniel is active as a leader in a multitude of clubs and organizations, especially with the Northampton Area Food Bank and the Boy Scouts.

Now, I certainly can go on-and-on about the very worthy and wonderful ways all these students spend their time and talents to better our world. The extent of their community activities and the amount of time to which they selflessly committed, is what most impressed us as we reviewed all the applications. Trust me, what I had to leave out for the sake of brevity, would more impress you than what I mentioned here. We are blessed to have such great young adults working to build a better future.

We wish ALL of the graduating students of the Class of 2015 all the best in the pursuit of their goals... and can only hope they succeed, for the enrichment of us all.

As another school year winds down at Northampton Area High School, I want to wish the Class of 2015 much success and good fortune.
