

The Blue Mountain Town & Country Gazette is celebrating their 25th Anniversary this October!

The paper has been serving the community with uninterrupted publishing, since 1985 and is semimonthly with 24 issues per year.

To celebrate they have added a special Silver Anniversary Commemorative Issue that will be printed on a special paper, as a "Keeper Issue" marking the region's history.

The Gazette is intended to be a resource for the local community; it publishes local news, including news that will help public service organizations like churches, schools, clubs, and other nonprofit organizations.

The Blue Mountain Town & Country Gazette, a community paper, serves a broad distribution area including Lehigh Township (Berlinsville, Cherryville, Danielsville, Pennsville, Treichlers, etc.) Northampton, Coplay, Laurys Station, Slatington, Walnutport, Palmerton, Klecknersville, Neffs, Schnecksville, etc.

We hope you will celebrate with us on Wednesday, October 6 from 5-7 for an open house at our office in Walnutport.
