

## **GNLCC Business of the Month: The Mill in Germansville**

The business has a long history as the original mill was built on the property in 1742 by Adam German. Ralph Phillips sold the business to Rodney and Diane Schlauch in 1986. In August of 2011, the business was acquired by Rodney Schlauch Jr. and Lori Wassell.

“The Mill” provide feed and supplies for your animals (from alpacas to zebras-livestock, horses, pets, wild birds, and wildlife and more). This includes local hay and straw. They also carry a full line of products to care for your animals, from feeders to waterers, gates, fencing supplies, tack, birdfeeders and houses, pet supplies and much, much more. They also provide products to care for your property including seeds, fertilizer, herbicides and pesticides (including organic) for farms large and small.

Like an old hardware store, the building is packed with items. Our employees have first-hand knowledge in the care of animals. With Purina, we sponsor workshops throughout the year for horse, pet, poultry owners.

We also plan to expand our lawn, garden, and landscaping choices, as well as offering a wider selection of organic products.

The business is owned by Rodney Schlauch and Lori Wassell, with Fred Schlauch as General Mgr.

The business is located at 7130 Bake Oven Road, PO Box 85, Germansville, PA 18053. You can contact them by phone: 610-767-9650, Fax: 610-767-8798, Web: [www.millingermansville.com](http://www.millingermansville.com) or face book!
