Several stories are passed around to show how the month of May was named. The most widely accepted explanation is that it was named for Maia, the Roman goddess of spring and growth. Her name related to a Latin word that means increase or growth. The Western Lehigh Chamber sponsored a Grand Opening for Foot Solutions at 3025 West Tilghman St immediately off Tilghman St and Cedar Crest Blvd in the former Vogt's Jewelers across from the Village West Shopping Center.

There are a few dates to take note of in May. The Kentucky Derby takes place on the first Saturday in May at Churchill Downs, Louisville, Kentucky. It is the most famous horse race in the United States. Memorial Day is the last Monday and do not forget Mother's Day the second Sunday in May.
