October is the tenth month of the year in the Julian and Gregorian Calendars and one of seven months with a length of 31 days. The eighth month in the old Roman calendar, October retained its name (from the Latin octō meaning "eight") after January and February were inserted into the calendar that had originally been created by the Romans October is commonly associated with the season of autumn in the Northern hemisphere and spring in the Southern hemisphere, where it is the seasonal equivalent to April in the Northern hemisphere and vice versa.

In the Western world, October is also commonly associated with Halloween (All Hallows Eve), which initiates the season of Allhallowtide. Halloween has become a major holiday and to truly get your scare on venture out to our own Dorney Park for its Halloween Haunt. New this year is Blood on the Bayou where you may be the next victim of the mindless demons in the French Quarter.

Join us Friday, October 26 for our annual FOOTBALL & TAILGATE mixer and awesome football game in the end zone of the Emmaus and Parkland football game at Emmaus High School. Cheer your favorite team to victory while enjoying great food and camaraderie of your fellow Chamber members.
