

# YES, WE ARE OPEN!

We're following recommended protocols for your safety.  
If you have any recommendations, please contact:

## We're here for you, as we all do our part to **STOP THE SPREAD**

### **WE COMMIT TO... PROVIDE A SAFE FACILITY**

- Maintain aggressive cleaning protocols throughout your facility
- Clean & disinfect high-touch areas routinely in accordance to CDC guidelines
- Ensure the facility has enough employees to perform the above protocols
- Ensure that the facility has staff dedicated to controlling access, maintaining order & enforcing social distancing of at least 6 feet

### **WE ALL MUST... PRACTICE SOCIAL DISTANCING**

- Keep at least 6 feet between yourself and others
- Stay at home as much as possible, especially if you are feeling ill
- Do not attend or host large gatherings
- Avoid using mass transit unless absolutely necessary

### **WE ALL MUST... WEAR A MASK (AT WORK & IN PUBLIC)**

- Everyone should wear a cloth mask when they must go in public... AND at work!
- Do NOT use a mask meant for healthcare workers (N95 Masks)
- The cloth face cover is not a substitute for social distancing
- Remember: YOUR mask protects ME, MY mask protects YOU!

### **WE ALL MUST... TAKE NECESSARY PRECAUTIONS**

- Cover your mouth and nose with a tissue or your elbow when coughing or sneezing
- Avoid touching your face
- Wash hands with soap for at least 20 seconds; if soap is not readily available, use hand sanitizer
