

This month's Greater Northern Lehigh Chamber of Commerce business spotlight shines on Bob's Wildlife Taxidermy.

Owner Bob Danenhower started the business in Orefield in 1987 and has been serving the sportsmen and wildlife enthusiasts for over 25 years. Bob and his staff offer all phases of taxidermy, tanning, and restoration. They are international big game specialists mounting animals from around the globe. Birds and waterfowl are also a shop specialty.

When he started, Bob was actually the youngest licensed taxidermist in the state. In 2007, Bob was selected by the Pennsylvania Outdoor Writers Association as Youth Mentor of the Year for sharing his knowledge of wildlife with our youth. Bob has earned the trust and respect of some of the valley's most prominent sportsmen.

Per Bob, "We are always staying on top of new and modern techniques and materials introduced to the market that will give our customers artistically mounted animals and most importantly special memories that will last a lifetime. We are looking to expand our business with additional products and services. Our goal is to serve our customers for many years to come."

Bob's Wildlife Taxidermy is located at 4642 Kernsville Road, Orefield, PA Please contact him at 610-398-7629 or [www.lvhfe.com](http://www.lvhfe.com) and visit him on face book-Bob's Taxidermy.
