

Business of the Month: October 2011

Professional Landscape Associates

This month's Business Spotlight highlights Professional Landscape Associates at 6461 Church Rd, Slatington, PA 18080.

Professional Landscape Associates is owned by Andrew J. Brennan and Priscilla D. Brennan. They are a landscape design and building company that has been in business since 1986 at the present location on 15 acres in Northwestern Lehigh County. They work on individual customized designs and do a variety of plantings as well as hardscape, lighting, water gardens, and maintenance of gardens.

They have also participated in Designer showcase houses since 1990 and have been members of the Association of Professional Landscape Designers (APLD). They have also taught courses at LCCC in design, been on the planning commission for Heidelberg Township and have participated in LeTip of Lehigh Valley.

Professional Landscape Association can do onsite Garden Consultations. For your dream Landscape you can contact them at 610-767-6636, e-mail:priscilla@pladesign.org or visit them online at pladesign.org.
