The Greater Northern Area Chamber of Commerce is proud to recognize *S & G Asphalt Services* as May Business of the Month. S & G Asphalt Services offers high quality seal coating, line striping, excavating and paving.

In 1982 Antonio Sorrentino, owner, took the bold step of leaving his employer of several years to branch out and begin his own asphalt business. Starting from the bottom with no money or equipment, Antonio worked tirelessly to build his business into what it is today, a three-million dollar company.

S & G Asphalt Services has had several locations in the last 30 years including Ironton, Whitehall and finally Slatington, where they are currently located. Vincent Sorrentino, seal coating and line striping manager says, "we are a family oriented business; our employees and customers are all treated like family." Along with that, The Sorrentino's take the education of their employees very seriously; each year their employees are taken to the National Paving Expo where they get hands on experience and meet with professionals from all around the United States to learn new skills and techniques. They believe that by keeping their employees educated it will help them to perform beyond expectation and communicate needs with their customers.

S & G Asphalt Services is growing at a rapid rate with a total of two-million square feet of seal coating in 2015 alone. That is a 30% increase from 2014 and a 60% increase from 2013. S & G Asphalt Services is looking forward to growing to be even larger and meet the seal coating, line striping, excavating and paving needs of the Lehigh Valley. You can contact them at 610-502-0211 or online at www.sgsphalt.com and on Facebook under S & G Asphalt Services.
